Dear David McAuley,

The ICANN Board has received from the Implementation Oversight Team (IOT) a set of Interim Supplementary Rules for the Independent Review Process (IRP). The Board intends to consider these Interim Supplementary Rules at its 25 October 2018 meeting here in Barcelona. I understand that starting on 22 October 2018, an IOT member has raised concerns regarding the Board's upcoming consideration of this item.

It was my understanding that there was consent of the IOT to forward this set of Procedures to the Board. Please confirm my understanding as soon as possible, in writing.

Thank you for your immediate attention to this issue.

Sincerely,

Cherine Chalaby
Chair, ICANN Board of Directors
